

Chi Psi - Fraternity League Rules

★ *You may arrive at 7:30 pm.*

★ *Practice Starts at 7:35 pm.*

★ *Bowling Begins at 7:43 pm.*

- Payments are due the first week of bowling.
- No outside food or drinks.
- **No alcohol may be brought in.**
- The parking lot should not be used for any trash from your car. Please discard all trash in the garbage can upon arrival.
- Vandalism/damage of any kind is grounds for expulsion.
- Substitutes bowling should be entered below the printed names on your score sheet and the name changed in the scoring to reflect the substitute bowling.
- Standing sheets are all posted publicly at oxfordlanes.net under Leagues.
- You will get your own bowling shoes. Black numbers indicate the men's shoes size. An underlined number indicates a half size. i.e. 10 = 10 ½
- Your street shoes will remain on the upper concourse area when it is snowing or raining to keep the bowler's area dry for bowling shoes.
- Spills need to be cleaned up before bowling shoes get wet.
- Please use a styrofoam cup for spitting -- not your beer bottles.
- You will be bowling league style. You will alternate between the two lanes on your pair so pay attention to where your name appears on the screen.
- Pressing the reset button on the ball return or Reset Pins on the scoring tables does not correct issues when the machine is not running. Notify us and we'll correct the issue.
- A playlist may be e-mailed/shared with andrew@oxfordlanes.net to be added to the RockBot rotation.
- TV channels are selected on a first come, first served basis. The first requested channel for that TV remains until the completion of the televised game.
- When placing a food order you will receive a ticket with your name or a number. When we call your name or number, please return the ticket and pick up your food.
- No pledges fetching alcohol.
- When you finish bowling you should put your bowling ball(s) away, return your shoes to the counter and discard all trash in the garbage. Food baskets and beer bottles are returned to the bar counter for cleaning and recycling.

- Do not forget to close your tabs!
- Call ahead for open bowling hours! If we tell you no, that's the final answer no matter how you ask the question. If there are other events going on they take priority to new arrivals. Understanding this makes it easier. Please watch your language when there are children around and do not show up intoxicated.
- These rules also apply during open bowling play.
